PRECAUCIÓN! Antes de instalar, regular o limpiar el extractor es necesario desconectar la corriente eléctrica del extractor. La instalación debe ser realizada por personal cualificado respetando la normativa vigente.

CAUTION! Before performing either conservation or regulation of the fan it must be disconnected from the power supply. Connection to power supply shall be performed by a qualified electrician following the current regulations.

ATTENTION! Le raccordement au réseau électrique, réglage ou maintenance doit être effectué par un électricien qualifié et habilité, après avoir coupé l'alimentation.

IMPORTANTE! Disinserire la corrente prima di effettuare i collegamenti elettrici o regolare i sensori dell'aspiratore. La connessione all'impianto elettrico deve essere fatta da un elettricista qualificato.

ACHTUNG! Stromversorgung bei Montage, Regelung oder Wartung immer abschalten! Der Anschluss ans Stromnetz darf ausschließlich durch einen geprüften Elektriker nach den gültigen Vorschriften hergestellt werden.
